## IN-STOCK MOULDING SELECTION GUIDE

@roomfortuesday

MOULDING EXCLUSIVELY FROM:

 METRIE

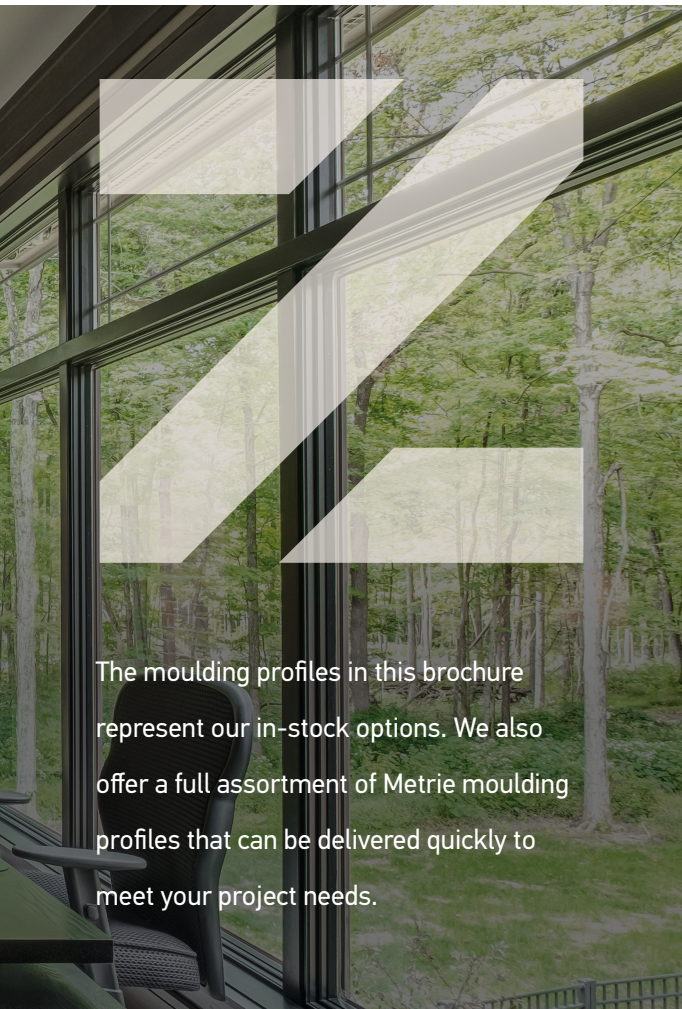

# MOULDING MAKES A DIFFERENCE

There are many great reasons for installing wood mouldings in your home. Whether your intent is to increase the value of your home, to showcase your own unique sense of style, or to simply reduce finishing costs. Mouldings offer you the opportunity to design and create the home you have always imagined.

The moulding profiles in this brochure represent our in-stock options. We also offer a full assortment of Metrie moulding profiles that can be delivered quickly to meet your project needs.

# CASINGS

Casings bring a room together – left to right, top to bottom. And like any framing element, the options are endless, from build-ups of multiple pieces to full wraps. With casings, there's no wrong way, only your way.

When selecting a baseboard, it is important to note the ceiling height of the space to ensure proper visual balance.

# BASEBOARDS

Your look starts here – at the foundation of a room. A great baseboard complements a casing and creates a smooth transition from the wall to the floor, guiding you seamlessly from room to room.

# MISCELLANEOUS

## DOOR STOPS

The door stop mouldings are attached to the door jamb on both sides and at the top. It is where the door comes to a rest when it is closed, stopping the door from moving any further and covering the gap that would otherwise appear between the door and the jambs.

## BASE SHOE

Baseboard shoes are primarily used to trim flooring materials and are often used in combination with a traditional baseboard to conceal variations between the flooring and the base. However, this versatile profile works great to solve numerous trimming needs.

**OUR MISSION**

The mission of Zuern Building Products is to maintain a dominant market position in the sale of building materials to the professional, through the combined efforts of management and a team of dedicated employees, adhering to a standard of honest and ethical business practices.

From our beginnings in 1953 as Allenton Lumber and Fuel with 5 employees, Zuern Building Products, through the dedication of now well over 200 employees, has grown to be one of the largest independent, family-owned and operated lumber and building material suppliers in Wisconsin.

Zuern Building Products supplies a full line of building materials to professional builders, remodelers, and homeowners. We have four expansive lumberyards with complete showrooms in Allenton, Cedarburg, Franklin and Watertown, Wisconsin. Since 1953, we've been family-owned and operated. We take pride in our tradition of providing high quality building materials and valuable services to our customers. We are "Building on Service!"

As our retail operations have expanded, we've been able to add services to meet the needs of our clients. From traditional lumber, millwork, windows, doors, and cabinet supplies to trend setting home and kitchen and bath design, our team remains focused on making life easy for our clients. Our design staff can help you design and plan a project, create a products list, and deliver products directly on-site.
